CERTIFIED MAIL – RETURN RECEIPT REQUESTED

Dear Mr. Slevin:

I have received your appeal of the Little Belt, Castle, and North Half Crazy Mountains Travel Management Plan Record of Decision signed by the L&C National Forest Supervisor.

Regretfully, I must dismiss your appeal without review in accordance with 36 CFR 215.16. Your appeal fails to meet the content requirements of 36 CFR 215.14 as it does not:

1. Provide sufficient project- or activity-specific rationale, focusing on the decision, to show why the Responsible Official's decision should be reversed [(36 CFR 215.14(a)]; and
2. Identify specific changes in the decision that the appellant seeks and rationale for those changes [(36 CFR 215.14((b)(6))]; and
3. Indicate why you believe the Responsible Official's decision failed to consider the public's comments [36 CFR 215.14(b)(8)]; and
4. Did not state why you believe the decision specifically violates law, regulation, or policy [(36 CFR 215.14(b)(9))].

This decision is the final administrative determination of the Department of Agriculture and is not subject to higher level review [36 CFR 215.18(c)].

Sincerely,

*/s/ Ray G. Smith (for)*
